

BETTER TIMES WILL COME (Janis Ian)

Adapted for the Doric/Buchan Tongue by Dame Evelyn Glennie

Better times, better times will come
Better times, better times will come
Fan es world learns tae bide as ween,
Oh, better times will come

Fan we greet each dawn wi' oot fear
Kenin love eens seen will be near
Fan the winds o' war
Canna bla only mare
Oh, better times will come

Chorus

Though we bide each day as oor last
We ken someday seen it will pass
We will dance, we sing
In that niver-endin' spring
Oh, better times will com

Better times, better times will come
Better times, better times will come
Fan es world learns tae bide as een
Oh, better times will come
Oh, better times will come
