

Fe Ddaw Disglair Ddydd (Better Times Will Come)
Welsh adaptation by Gareth Bonello

WELSH

Fe ddaw'r dydd,
Fe ddaw'r disglair ddydd
Fe ddaw'r dydd,
Fe ddaw'r disglair ddydd,
Pan ddysgwn sut i fyw ynghyd,
O, fe ddaw disglair ddydd

Pan groesawn doriad y wawr
'da chysur anwyliaid gerllaw
Pan fydd maes y gad
Wedi cilio o bob wlad
O, fe ddaw disglair ddydd

Er cymrwn bob ddydd fel y mae
Fe fyddwn ni'n dyfalbarhau
A chydganwn law yn llaw,
Yn y gwanwyn di-ben-draw,
O, fe ddaw disglair ddydd

Fe ddaw'r dydd,
Fe ddaw'r disglair ddydd
Fe ddaw'r dydd,
Fe ddaw'r disglair ddydd,
Pan ddysgwn sut i fyw ynghyd,
O, fe ddaw disglair ddydd

A Bright Day will Come

The day will come
The bright day will come
The day will come
The bright day will come
When we've learned to live as one
O, a bright day will come

When we welcome the break of dawn
With the comfort of loved ones nearby
When battlefields
Have retreated from all lands
O, a bright day will come

Though we take each day as it comes
We will persevere
And hand and hand we'll sing
In that eternal spring
O, a bright day will come

The day will come
The bright day will come
The day will come
The bright day will come
When we've learned to live as one
O, a bright day will come
